FREAKIE MAGNET #1a
June 23, 1994

Hey Kids!

The Magnet is up and running! While the Magnet was intended to be mainly Freakies, we're expanding the scope (based on your suggestions) to include ALL cereals and cereal premiums. Of course, there will always be a special corner in each Magnet on Freakies, but we don't want to exclude any of you Quisp, Quake, Monster Cereals, Moonstones, King Vitamin, Captain Crunch, Klondike Pete's, etc. etc. etc. lovers!

If you would like to contribute to the next Magnet, please send your want lists, classified ads, stories, pictures, and whatever else you can think of. Classifieds in the Magnet are FREE, to make it easy, fun and inexpensive to share stories, make contacts, and buy, sell and trade cereal boxes and premiums!

Write today, since the next Magnet will be out in August. Right now the magnet is quarterly, but if it becomes popular, we'll put one out each month!

PS. Please send a copy of this letter to a friend or customer who would be interested. Thanks in advance for your help!

I collect Freakies! I want any and all items from Freakies cereal, including Freakies figures, magnets, boats, cars patches, medals, rings, stickers, comic books, cereal boxes, wall clocks, cereal bowls, mugs, t-shirts, hats, sweatshirts, ETC! Please call me first if you find FREAKIES cereal items. THANKS!
